

Canon, Samsung SDS and CAME to Debut at All-over-IP Expo 2015

Alongside the [world class speakers](#) and [industry leading exhibitors](#) All-over-IP Expo 2015 introduces Canon Europe, Samsung SDS and CAME Group debuting at the show this year in Moscow.

Canon Europe

At All-over-IP Expo 2015, [Canon Europe](#), world-leader in imaging solutions, will show its latest network cameras and their difference through demonstrations as part of solutions with leading VMS companies including Milestone Systems and AxxonSoft. Canon's stand will showcase the recently announced 360-degree high speed PTZ model, newest dome network cameras utilizing high ultra-low dispersion lens and an ultra wide angle IR camera.

Samsung SDS

The IT service affiliate of Samsung Group, [Samsung SDS](#) will deliver an intelligent video analytics solution that blends a surveillance system with the latest IT technologies, such as intelligent video analytics, an IoT sensor and big data, to provide real-time accident detection and accident response. All-over-IP 2015 visitors will learn best practices of running Samsung SDS's intelligent surveillance solution in Moscow.

Came Group

At All-over-IP Expo 2015, [Came Group](#) introduces the recently launched BPT entry system that offers the highest level of performance for every type of installation, from single homes to large enterprises. Came's stand will also showcase CAME CONNECT, an innovative cloud service that gives access to all features of the entry system – anywhere, anytime.

The IP industry's leading companies will be at All-over-IP Expo 2015 with their latest product portfolios, advice and insight for local sales partners and customers on the latest technologies and market trends. View [speakers](#) and [exhibitors](#) of All-over-IP Expo 2015.

Companies interested in exhibiting should contact Alla Aldushina at aldushina@groteck.ru
For keynote speaking opportunities please contact Olga Fedoseeva at fedoseeva@groteck.ru

Primary Sponsor: [ITV | AxxonSoft](#) – a leading software developer that combines IP-based physical security management, intelligent video surveillance, and an enterprise-wide platform.

Education Sponsor: [Milestone Systems](#) – a global industry leader in open platform IP video management software.
